Dear Members of Congress,

I have enjoyed working with you in the Student Association this past semester. Since I have completed graduation requirements, I may be leaving early this semester to accept a position. Therefore I do not feel that I could represent my constituency to the fullest of my abilities, and so I must submit my resignation.

In my place I would like to introduce my vice-president and now president of Downing Hall, Mr. Charles Conti.

I have enjoyed working with all the members, and I only wish it could continue. Best of luck in your second semester!

Sincerely,

"Sam" Habermehl
